

# Case Study: Oil & Gas Sector

Bancon Construction

Contract Name:	Premier Oil Office Fit Out
Client:	Premier Oil UK Limited
Site Location:	Prime Four, Kingswells
Total Value:	£3.5 Million
DESIGN TEAM:	
Architect:	Davidson Smith Partnership
Project Quantity Surveyor	Murray Montgomery Partnership
CDM Coordinator:	Space Solutions
Mechanical & Electrical Engineer:	Cameron Chrisholm Dawson Partnership LLP

## Brief Description of Works:

The project comprised the comprehensive fit-out of the 3-storey office development together with associated external works. Value engineering exercises also took place during this pre-contract stage with regards to the partition design, which enabled us to increase sound proofing within the office areas without negatively impacting time, cost or the sustainability of the project.
